FREE MONEY GUIDE

YOUR FIRST PAYCHECK CHECKLIST

The money guide every young person should read before their first salary arrives.

"Your first paycheck isn't about how much you earn - it's about the money habits you build from day one."

01 Set up your bank account

- [ ] Make sure your account is in your own name
- [ ] Download your banking app
- [ ] Turn on payment notifications

MONEY SMART TIP

The most financially confident people know where their money is going.

02 Understand your payslip

- [ ] Gross pay
- [ ] Net pay
- [ ] Tax deductions (if applicable)
- [ ] National Insurance
- [ ] Pension contributions

CASHBRITE RULE

Never ignore your payslip. Always check you have been paid correctly.

03 Create your spending plan

NEEDS

Transport | Phone | Food | Bills

WANTS

Clothes | Eating out | Entertainment

SAVINGS

Money for future goals

MONEY SMART TIP **Budgeting isn't about restricting your life. It's about telling your money where to go.**

cashbrite.

YOUR FIRST PAYCHECK CHECKLIST

When your paycheck arrives

04 Pay yourself first

£10 per week
£520 saved in a year

£20 per week
£1,040 saved in a year

Small habits create financial confidence.

05 Build an emergency fund

- [ ] A broken phone
- [ ] Travel costs
- [ ] Unexpected expenses

WHY IT HELPS

Savings give you choices and reduce the need to borrow.

06 Your first credit card

- [ ] A credit card is borrowed money
- [ ] You receive a monthly statement
- [ ] Pay the full balance where possible
- [ ] Avoid only paying the minimum amount

CASHBRITE RULE

Only spend on a credit card what you can afford to repay when the bill arrives.

YOUR NEXT STEP
